MEMORANDUM FOR DIRECTOR OF CENTRAL INTELLIGENCE

ATTENTION 25X1A9a

SUBJECT: Request for Approval of TALENT Billet (C)

**HANDLE VIA TALENT
CONTROL SYSTEM ONLY**

1. It is requested that the following-listed position be approved as an Army TALENT billet:

Chief, Technical Services Division, Army Map Service

2. JUSTIFICATION:

a. The Chief, Technical Services Division, AMS, has responsibility for providing map, document, and photographic sources for use in mapping and intelligence projects performed by AMS as well as providing topographic maps for use by the entire Department of Defense. AMS and other personnel working with Intelligence Support Branch material require servicing in obtaining source materials in order to perform their functions. Clearance for this position will facilitate research and supply of sources to the production personnel.

b. Due to a reorganization at AMS, clearance for the Chief, Cartographic Division, is no longer required. The individual cleared for this position has not been briefed. It is therefore suggested that this space be redesignated to the above requested space.
